There as an ESL teacher with The TEFL Insitute: the Thailand teach abroad experts

A quiet Bangkok suburb, Lad Prao is an up and coming neighborhood with terrace restaurants and funky cafes, surrounding the redeveloped canals. South of the capital, placements are in the laid-back beach and mountain resort town of Hua Hin.

THE INTERNSHIP:

Plan to work between the hours of 10:00am-8.30pm Monday through Friday; weekend lessons run from 8.30am-5.30pm. Just over half of your work week will be in the classroom, otherwise you will be prepping lessons or supporting other projects and school activities as needed.

Teachers only need to be in school during scheduled classes and online lessons can be taught from home.

You will spend your first 7 nights in a Bangkok hotel while completing your arrival orientation and induction. Your school representative will then arrange for you to visit suitable apartments according to your budget preference.

VERIFIED TEFL INSTITUTE TESTIMONIALS

"I first started teaching with this company over 15 years ago and as a relatively inexperienced teacher, I was very grateful for the support and training I have received. This school really cares about the quality of instruction so time is spent to ensure new instructors feel comfortable in the classroom and have all the support they require to succeed."
