180 HOUR GOVERNMENT REGULATED LEVEL 5 TEFL DIPLOMA

When choosing a Level 5 over an accredited 120-hour TEFL Course, this qualification can provide enhanced opportunities for higher-paid teaching roles in more competitive schools and countries. This diploma is considered the same standard as the CELTA and Trinity Cert TESOL.

Learners typically spend 8-10 weeks completing the ten online modules. The pass mark is 100%, and assessments are multiple-choice plus open-ended answers. Our academic team will review your answers and may ask for some questions to be reattempted. Following a successful assessment from our academic team, we can claim the licence for your Ofqual (government) certificate from Highfield Qualifications.
